Circular: Special/ 2017

30th January, 2017

To

All the Employees,

Dear Comrades,

24th GENERAL CONFERENCE OF AIIEA

A CONFERENCE OF UNITY, CONFIDENCE AND CONSOLIDATION

The 24th General Conference of AIIEA held at Ernakulam (Kochi) in the state of Kerala from 21-25 January 2017 was a historic success. It was for the first time that the All India Conference of AIIEA was organised in the State of Kerala. Kerala has the distinction of having a militant and class oriented trade union movement. It has also shown that how through distributive justice the development of the society can be achieved. The fact that the Conference was organised in the city of Kochi, which has earned the proud sobriquet of 'Queen of the Arabian Sea', added extra lustre to the elegance which AIIEA Conferences are famous for. Comrades of LIC Employees' Union Ernakulam Division and Kerala State General Insurance Employees' Union gave a brilliant account of themselves by organising the Conference in a splendid manner. In a fitting tribute to the legendary revolutionary Fidel Castro, the Conference Venue (Gokulam Convention Centre) was named "Fidel Castro Manch". Similarly, in memory of Com. R. Umanath, the beloved leader of working class of India in general and insurance employees in particular, the Conference complex was named Com. R. Umanath Nagar. Around 1500 delegates and observers from across the country participated in this Conference including 350 women comrades.

The Rally and Inaugural Session: A Sea of People

The Conference was preceded by a mammoth rally of around 6000 employees from Rajendra Maidan to Marine Drive Grounds, the venue for the Inaugural session of the Conference. It is noteworthy that out of these 6000 comrades who participated in the Rally, 2442 comrades including 754 women comrades were from South Zone alone. Com.C. Ravindranathan, former Vice-President, AIIEA flagged off the Rally from Rajendra Maidan. The entire route of the rally up to the venue of the Open Session was decorated with red banners, buntings and festoons. It seemed as if the entire city was painted red. Fraternal trade unions in the state of Kerala greeted the Rally at different intersections en route.

Com. Amanulla Khan, President AIIEA, hoisted the flag of the organisation amidst thunderous slogans and with this the stage was set for the commencement of the Inaugural Session. The flag hoisting ceremony was followed by placing of floral tributes at the Martyrs' Column. Soon after, began the Inaugural Session with Com. Amanulla Khan, President AIIEA, in the Chair. The President of AIIEA welcomed the guests, delegates, observers and gave a graphic account of the background in which the Conference was taking place. **Com. P. Rajeev**, former Member of Parliament and Chairman of the Reception Committee delivered the Welcome Address and recounted the glorious history of the state of Kerala and the heroic struggles of AIIEA for the protection of public sector insurance industry and advancement of the interests of the employees.

Com. Pinarayi Vijayan, Hon'ble Chief Minister of Kerala, inaugurated the Conference. In his inaugural address, Com. Vijayan complimented AIIEA by saying that AIIEA not only works for the protection of public sector insurance industry and the interests of its employees but also for protection of the interests of the disadvantaged sections of society at large. He said that the 24th Conference of AIIEA was taking place at a very difficult point of time. The BJP led NDA government at the centre was so committed to neo liberalism that it would spare no efforts to destroy public sector industries so assiduously built over the last six decades. Commending the role played by AIIEA for the protection of public sector insurance, he said that private insurance companies had not been able to make a dent in LIC's market share because of the tireless campaign of AIIEA right from the early nineties. He cautioned that international finance capital was eager to capture the huge asset base of LIC and public sector general insurance companies. Coming down heavily on the decision of the government to disinvest the shares of public sector general insurance companies he termed it as an invitation to disaster. Com. Vijayan assured his all-out support to the movement of insurance employees under the banner of AIIEA.

Com. A.K. Padmanabhan, Vice President CITU, addressed the Open Session and said that AIIEA and CITU have been carrying forward the glorious legacy of the revolutionary spirit of the working class movement. He said that AIIEA's hallmark was that it had never been sectarian in its approach, while fighting for safeguarding the interests of insurance employees and public sector insurance AIIEA believed in making common cause with other sections of the toiling masses. He expressed confidence that the ever-increasing participation of workers in successive strike actions against the ruinous economic policies of the government would certainly dispel the dark clouds hovering in the sky. **Com. M. Krishnan**, Secretary General, Confederation of Central government employees and workers, **Com. P. Abhimanyu**, General Secretary BSNL Employees Union, greeted the Inaugural Session of the Conference. **Com. T. K. Chakraborty**, General Secretary, All India Insurance Pensioners' Association (AIIPA), also greeted the meeting. The Inaugural Session had also the gracious presence of **Com. Chandra Sekhar Bose** and **Com. N.M. Sundaram**, the great leaders of insurance employees' movement. **Com. V. Ramesh**, General Secretary AIIEA, proposed the vote of thanks.

The Delegates Session :

The Delegates Session of the Conference began in the morning of 22nd January. The General Secretary of AIIEA, **Com. V. Ramesh**, placed the Report of the Working Committee before the Conference.

The Report covered the whole gamut of issues ranging from the international scenario to the insurance industry and to the state of the Organisation. The Report dealt at length the continuing crisis of capitalism, growing militarism, growing fundamentalism, rising inequalities, the growing strength of right wing forces in Europe and America including the ascendancy of Donald Trump to the Presidency of the US, the crimes of imperialism against humanity, the Refugee Crisis in the world, the renewed assault of imperialism on the Latin American countries, the growing menace of terrorism, threat of global warming and climate change. The National section of the Report discussed the pernicious effects of the 25 years of economic liberalisation in India, the growing threat of communal mobilisation, the issue of disinvestment of public sector units, ever growing agricultural crisis, the attack on the trade union and democratic rights of the workers through amendment of labour laws, growing atrocities on Dalits, gender issues and increasing resistance of the workers against the neo liberal economic policies. The Industry section of the Report discussed at some length the continuing dominance of public sector insurance industry in a competitive environment, the Diamond Jubilee Year celebrations of LIC, the passage of the Insurance Laws (Amendment) Bill and our unrelenting struggle against it. The Report also dealt on the question of the pending issues, challenges before our organisation and the tasks ahead.

This was followed by the placement of the Audited Statements of Accounts. **Com. B. S. Ravi**, Treasurer AIIEA placed the Audited Statements of Accounts of AIIEA, Insurance Worker and Standing Committee (General Insurance) for the years ending 31.12.2014, 31.12.2015 and 31.12.2016.

Com. M. Girija, Joint Secretary AIIEA, initiated the discussion on the Report. A total of fifty-one comrades including nine Women comrades participated in the discussion. The Conference had the proud privilege of listening to the deliberations of two stalwarts of insurance employees' movement, namely, Com. Chandra Sekhar Bose and Com. N.M. Sundaram. Tracing the history of AIIEA to the pre nationalisation days, **Com. Bose** said that the AIIEA had been making giant strides year after year and had acquired a pride of place among the comity of trade unions in the country. **Com. N.M. Sundaram** gave an intellectually rich presentation on the rich traditions and precedents set by AIIEA and said that it was his long association with AIIEA that helped him grow as a human being. Imploring the delegates and observers to develop the habit of reading, especially reading history, he opined that it was impossible to understand the present without understanding the past. He cautioned that in view of the attempts being made by the Sangh Parivar outfits to distort history, the present times are endangered and that had to be resisted. Com. S. S. Potti and C.Ravindranathan, former Vice Presidents of AIIEA also addressed the Delegates' Session. **Com. Amanulla Khan**, President AIIEA and **Com. K. Venu Gopal**, Vice President AIIEA intervened in the debate and made rich contributions to the debate.

Address by Guest Speakers:

Com. Pradip Biswas, General Secretary, Bank Employees' Federation of India (BEFI), addressed the Delegates' Session on 22nd January 2017. **Com. Tapan Sen**, General Secretary CITU, addressed the Delegates' Session on 24th January 2017. He gave a broad outline of the crisis enveloping the capitalist world and how and why the world had not yet fully recovered from the crisis. He said that the burdens of the crisis were being shifted onto the shoulders of the working class, as a result of which there was tremendous frustration and anger among the workers. This frustration and disillusionment, however, was being utilised to the hilt by the forces of the Right, averred Com. Sen. Describing AIIEA as a unique trade union with a committed membership, he expressed confidence that AIIEA would reorient its strategy in keeping with the demands of the present times and try to unite not only insurance employees but also the workers of the unorganised sector. **Com. P. Rajeev**, former MP and Chairman of the Reception Committee addressed the Delegates Session. He made a wonderful presentation on

the subject "Kerala Model of Development under left rule"and explained how the state had prioritised investments in health, education and infrastructure to ensure that the fruits of development reached the people.

Two Seminars- Opening New Vistas of Knowledge:

Two Seminars were organised during the Conference on two very important topics. The first Seminar was organised on 22nd January 2017 on the topic "Democracy and Neo Nationalism". The speaker of this seminar was **Prof. Ravindran Gopinath**, Department of History and Culture of the Jamia Millia Islamia, New Delhi. The topic for the second Seminar that was held on 23rd January 2017 was "Syncretic Culture and Peoples' Unity". The Speaker for this seminar was **Prof. K. Satchidanandan**, former Secretary, Sahitya Academy and an internationally acclaimed poet.

Prof. Gopinath made an erudite presentation on Democracy and neo Nationalism. He said that a sense of unease had pervaded the entire world. This was true of India as also of the US. The political right was on the ascendancy everywhere. He said that while democracy and democratic rights were essential for the progress of the society, democratic rights were being attacked in India in the name of nationalism. He felt that India was headed for a great danger because majority communalism had been masquerading as nationalism. Prof. Gopinath spoke at length on what constitutes a nation and what actually was nationalism and urged the audience not to get confused with the RSS-BJP version of nationalism and the colonial interpretation of nationalism. He said that nothing can qualify to be called nationalism if it compromises with imperialism.

Speaking on the topic "Syncretic Culture and peoples' Unity", Prof. K. Satchidanandan said that India's culture was quintessentially diverse. Diversity, he felt, was the source of richness of Indian culture. Describing India's culture as multi religious, multi lingual and multi ethnic he pointed out that any mechanical attempt to deny the plurality of its culture and portray India as a one culture society would definitely disrupt the unity of the people. He gave examples of how different traditions and ideas were assimilated to give shape to a rich culture which is looked at envy by the world. He pointed out that Indian society is argumentative and through arguments ideas developed to make the society better. Today attempts are being made to silence dissent and debate and this is very dangerous for democracy and asked the working class to resist these attempts which harm our glorious traditions, secularism and democracy.

Adoption of the Report :

Com. V. Ramesh, General Secretary AIIEA, finally summed up the discussions after a marathon debate spanning over 745 minutes. Com. Ramesh profusely thanked the host unit for the magnificent arrangements they had made for the smooth conduct of the conference. Commending the delegates for their absolute unanimity on the broad formulations of the Report of the Working Committee, he said that the 24th Conference of AIIEA was a conference of confidence, consolidation and unity. Calling upon the employees to strengthen public sector insurance and work for establishing an egalitarian form of society by coalescing our struggles with those of the other sections of toiling masses, Com. Ramesh assured the house that no employee will be allowed to be unnecessarily inconvenienced by the transfer and mobility policy of LIC. The Report of the Working Committee along with the Audited Statements of Accounts was unanimously adopted by the house.

CHARTER SUB-COMMITTEE

The Wage Revision in LIC and General Insurance will fall due on 1.8.2017. The Conference appointed a committee comprising of the President and General Secretary of AIIEA, General Secretaries of Zonal units of AIIEA and Secretary, Standing Committee, General Insurance, to frame a draft charter of demands. Com Shreekant Mishra will be the Convener of this Committee.

Resolutions:

The Conference unanimously adopted 18 Resolutions demanding Reversal of Neo-Liberal Policies, for Communal harmony and against Communalism, opposing the insensitive demonetisation policy, on unorganised sector workers, on empowerment of women, on empowerment of SC/ST sections, opposing amendments to labour laws, on government policy on pension, demanding strengthening of public sector insurance, demanding tax concessions to life insurance business, on recruitment in LIC, demanding merger of public sector general insurance companies, on improvements in Pension, demanding Recognition to AIIEA, on Collective Bargaining Right, Restoration of Democracy in West Bengal, demanding implementation of the Supreme Court Judgment on Equal Wages for Equal Work in respect of temporary employees and demanding Recruitment of Class IV employees in Public Sector General Insurance Companies.

Decisions of the 24th Conference:

The 24th General Conference of AIIEA called upon the members-

- (i) To work unceasingly for protection of public sector insurance industry;

- (ii) To launch widespread campaign against the decision of the Government to disinvest the public sector general insurance companies;
- (iii) To hold a national level Convention in New Delhi against Disinvestment of PSGI Companies before the end of March 2017;
- (iv) To go for a Demonstration Programme in LIC and General Insurance if and when the public sector general insurance companies give the Letter of Intent to the Securities and Exchange Board of India (SEBI) for listing on the stock exchange;
- (v) To go for a One Day Strike Action in general insurance and Demonstrations in LIC when the shares of the Public Sector General Insurance Companies are listed for Subscription;
- (vi) To ceaselessly pursue the demand for pension option to those who could not earlier opt for the 1995 Pension Scheme both in LIC and General Insurance;
- (vii) To pursue with the LIC/ General Insurance managements for resolution of all pending issues;
- (viii) To Reorient the Organisation at all tiers in keeping with the challenges of the present times and keep the organisation in absolute readiness for struggle by making one to one contact with the members.

ELECTION OF OFFICE-BEARERS

The Conference unanimously elected Com. Amanulla Khan as President, Com. V. Ramesh as General Secretary and Com. B. S. Ravi as Treasurer of the organisation for the ensuing term. A Working Committee consisting of 168 members was also unanimously elected.

The Conference expressed its gratitude and expressed appreciation for the services rendered by Coms J.Gurumurthy, Ashok Tiwari, R.C.Sharma and Shravan Kumar who stepped down as Office-Bearers of AIIEA.

Comrades of LIC Employees Union Ernakulam Division and Kerala State General Insurance Employees' Union made commendable efforts to organise the Conference in a Grand manner. The cultural programme organised during the conference also enthused our comrades. Com. Amanulla Khan, President AIIEA rightly said that size of our units doesn't matter when it comes to discharging the organisational responsibilities with conviction and commitment. The 24th Conference of AIIEA was truly a Conference of Confidence, Consolidation and Unity.

Comradely yours,

With revolutionary greetings,

(V.RAMESH)
General Secretary
