All Divisional/Regional/State units of AIIPA

Dear Comrades,

Re: Existence Certificate

AIIPA has been very much concerned about submission of Existence Certificate as on 1st August, 2020 by pensioners/family pensioners in this atmosphere of Covid-19 pandemic. AIIPA had taken up the matter with LIC management in the first week of July, 2020 and requested them to give relaxation in submitting existence certificate. Management assured that they will issue instructions and accordingly issued circular dated 15/07/2020 giving some relaxation including identification through video call. AIIPA vide its letter dated 20th July, 2020 addressed to ED(P) and ED(OS) drew attention of management to the grave situation due to Corona pandemic and high risk to pensioners –they being senior citizens– and requested extension of time for submission of existence certificate till the situation improves.

We are happy to inform that our request has been favourably considered and the date of submission of existence certificate has now been extended till 31st December, 2020 by letter under reference CO/OS/Pension dated 22nd July, 2020.

AIIPA assures all pensioners of its continued commitment to safeguard the interests of pensioners.

With Greetings,

Comradely yours

General Secretary
