Dear Sir

Subject: Support for Rest Day call by LIAFI 1964 on 23-03-2021

We would like to inform you that our organisation Life Insurance Agents Federation of India LIAFI 1964 has given a call for "Rest Day" on 23rd March 2021 against indifferent attitude of Management in solving our long pending issues.

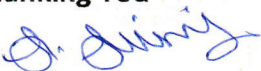

Our demands include IPO, Disinvestment, Increase of Bonus for Policy holders, decrease of Interest for all types of Loans, Addition of Bonus for New Policies Introduced, Direct Marketing problems, Online sale of policies. Rebate by Corporation for on line Policies, Enhancement of Gratuity, Group Insurance and Mediclaim coverage to All Agents etc.

We had discussions with Management several times in this regard but results are not yielded so far. Hence we, along with other like minded Federations, decided to gear up our actions to get issues solved quickly.

We will observe not to transact anything like No business, No BOC, No service etc on that Day.

Hence we request you to instruct your Field force all over India to cooperate with us on 23rd March for Grand Success of "Rest Day"

Thanking You
