Sir,

Re: Enhancement of Family Pension

We write this, with much anguish, to draw your attention to the inordinate delay in issuance of the notification for enhancement of Family Pension to a uniform rate of 30% of the last pay drawn without any ceiling as recommended by LIC Board more than 2 years ago.

You will agree that the meagre amount of family pension being paid now is insufficient for the survival of the family pensioners, let alone leading a decent life. It is unfortunate that the Board approved recommendation in this regard is still pending for clearance by the Government for a very long period for inexplicable reasons.

It is painful to note that such a crucial issue is pending for LIC Pensioners while the same has already been implemented in public sector Banks retrospectively. The delay tantamount to denial of this benefit for the family pensioners, many of whose financial condition is really pathetic.

We would request you to kindly intervene personally for the resolution of the issue without any further delay. We hasten to add that if a positive result is not forthcoming soon, AIIPA would be forced to raise the issue publicly by means of protest actions before LIC Offices throughout the Country.

Thanking you.

Yours faithfully,

General Secretary
