Madam,

Re: Enhancement of Family Pension

We write this, with much anguish, to draw your attention to the inordinate delay in issuance of the notification for enhancement of Family Pension to a uniform rate of 30% of the last pay drawn without any ceiling as recommended by GIPSA several months ago.

You will agree that the meagre amount of family pension being paid now is insufficient for the survival of the family pensioners, let alone leading a decent life. It is unfortunate that the GIPSA approved recommendation in this regard is still pending for clearance by the Government.

It is painful to note that such a crucial issue is pending for Insurance Pensioners while the same has already been implemented in public sector Banks. The delay tantamount to denial of this benefit for the family pensioners, many of whose financial condition is really pathetic.

We would request you to kindly intervene personally for the resolution of the issue without any further delay. We hasten to add that if a positive result is not forthcoming soon, AIIPA would be forced to raise the issue publicly by means of protest actions before PSGIC Offices throughout the country.

Yours faithfully,

General Secretary
