PRESS STATEMENT

AIEA SUPPORTS THE ONE DAY COUNTRYWIDE STRIKE OF MEDICAL AND SALES REPRESENTATIVES ON 20th DECEMBER 2023

Hyderabad 19/12: Medical and Sales representatives all over the country are going on One Day countrywide strike on 20th December 2023 at the call of Federation of Medical and Sales Representatives Associations of India (FMRAI). The Strike has been called on 8 point Charter of Demands involving the life and living of sales promotion employees, affordable healthcare for the common people of the country and unfair labour practices by the pharmaceutical companies to the utter disregard of laws of the land. The All India Insurance Employees Association (AIIEA) supports the strike call of the medical and sales representatives.

The medical and sales representatives have raised some justified demands like removing GST on medicines, reducing prices of medicines and medical devices, protecting Sales Promotion Employees (Conditions of Service) Act 1976, removing all restrictions of entry of Medical Representatives in government hospitals and institutions and ensuring their right to work, framing statutory working rules for the sales promotion employees, putting an end to the intrusion of privacy through tracking and surveillance and ensuring unhindered entry to workplaces.

The AIIEA extends solidarity with the strike of the FMRAI and calls upon the people of India to support the strike call in the interest of the country, the people and the medical and sales representatives.
