General Secretaries of all Zonal Units in the Life Sector/  
Secretary, Standing Committee (GI)

Dear Comrade,

**Re: January 2024- Golden Jubilee of the Struggle against Lockout**

January 2024 is the Golden Jubilee of AIIEA's historic struggle against lockout. Com. Amanulla Khan has written an article on this struggle and its profound impact on our movement. This article will be published in the January 2024 issue of Insurance Worker. Along with this, the Editorial of Insurance Worker of January-February 1974 will also be published. These two will be immensely helpful to us to understand the challenges of the present times by drawing inspiration from the past and moulding the organisation accordingly.

We are sending these two write ups in advance. Zonal units of those divisions which were locked out (Bangalore and Dharwad in SCZ, Meerut in NCZ, Delhi in NZ, Patna in ECZ and Chennai in SZ) should take special care to ensure that these are translated into vernacular for circulation. Moreover, these units should be asked to organise some special programmes to commemorate the glorious struggle. We should ensure wide circulation of these articles in other divisions across the country.

January 2024 also marks the 75<sup>th</sup> year of the Indian Republic. The Editorial of January 2024 issue of Insurance Worker covers this aspect. We are also sending the same in advance for the benefit of our units.

With Greetings,

Comradely Yours

General Secretary
